

# PREMIUM MILLING HEADS

Welcome new members to the N.KO Machines family,  
the Premium milling heads for processing tougher materials.

- for B10 Electra, B15 Electra and B15 AIR hand held bevelers
- developed especially for stainless steel and other tougher materials
- more effective increased safety
- smoother final surface and higher lifetime for the cutting inserts
- longer cutting inserts (15 mm/0.6") are standard and two-sided
- shorter cutting inserts (8 mm/0.3") are four-sided » double lifetime.

Required bevel angle	The starter kit for milling head for 15 mm/0.6" two sided cutting inserts	The spare two sided cutting inserts 15 mm/0.6"	The additional special roller for shorter cutting inserts 8 mm/0.3" (the milling head stays original)	The shorter four sided cutting inserts 8 mm/0.3"	The fastening screws for cutting inserts (works with both cutting inserts versions)
30°	 <b>Part no. 27223X</b> (the cutting inserts and the lead roller are included)	 <b>Part no. 28015</b> (10pcs package)	 <b>Part no. 28004</b> (complete special lead roller for shorter cutting inserts)	 <b>Part no. 28008</b> (10pcs package)	 <b>Part no. 28007</b> (1pc)
45°	 <b>Part no. 27222X</b> (the cutting inserts and the lead roller are included)	 <b>Part no. 28015</b> (10pcs package)	 <b>Part no. 28005</b> (complete special lead roller for shorter cutting inserts)	 <b>Part no. 28008</b> (10pcs package)	 <b>Part no. 28007</b> (1pc)
60°	 <b>Part no. 27240X</b> (the cutting inserts and the lead roller are included)	 <b>Part no. 28015</b> (10pcs package)	 <b>Part no. 28006</b> (complete special lead roller for shorter cutting inserts)	 <b>Part no. 28008</b> (10pcs package)	 <b>Part no. 28007</b> (1pc)
